The Diaconate Meeting has been rescheduled for Sunday, August 25, at 12:15 PM.

*We wanted to thank you for the very generous contribution to helping us purchase a vehicle in La Paz. You definitely exceeded our expectations and have richly blessed us! We have purchased the car and are quickly figuring out the many idiosyncrasies of driving in Bolivia! It's still all very new but has already been a big blessing as far as being able to get to meetings and events that are off the main roads and especially with getting the kids to and from school. We've had a good, but challenging, first month back in La Paz. School is out today because of protests that are blocking many key intersections around the city. Also, we've had striking miners camped out on a nearby street for the last three days with marches up and down our main Avenue. Kind of crazy... Thank you again...Love y'all and May God Bless you.*
